

“...freeing those in ministry from business distractions.”

I am humbled and grateful for the opportunity the Lord has provided to lead MBS. I've served on and led the tech team of my church for more than 30 years and will continue to do so, but now also get to serve globally through MBS.

I am passionate about using technology for greater ministry effectiveness and am excited to be one of the professionals at MBS who are each dedicated to serving The Church. We want to continue freeing those in ministry from technological distractions so they can focus on maximum Kingdom impact.

MBS has a rich history of only serving churches and ministries. For those we have had the privilege of serving, thank you for allowing us to be a part of your ministry. I look forward to continuing to provide the outstanding service you have come to enjoy.

To our many friends, partners, and vendors, thank you for helping us accomplish our mission. I am grateful for your friendship and continued support of MBS.

If you have any questions or comments, please feel free to reach out to me directly at jonathans@mbsinc.com or at 714.840.5900, x535.
